### Veterans Day.

It's not a free day off from school or even work. It's not a day when we remember those who have given their lives in defense of this great nation. It IS a day set aside to remember and offer our thanks to those who have served or are serving in one of the branches of our military. On this day, we give pause and remember that freedom is not free.

So, as we spend time in church today and remember our veterans, let's endeavor to never forget that this is the land of the free and the home of the brave. And don't forget to say thank you to a military family...they often sacrifice more than many will ever understand!
